About us

GUANGXI OUBOSHI ENGINEERING CO., LTD is a subsidiary of a group with annual sales exceeding US\$5 billion,with export sales to exceed US\$300 million in 2024.Business covers rapidly growing emerging markets worldwide,including major countries and regions in Africa,Southeast Asia,South America and the Middle East,with local service centers in Mali and Laos providing rapid technical response and after-sales support.OUBOSHI is specializes in providing a full range of construction machinery parts,including filters,undercarriage components,bucket teeth,hydraulic components,electrical system components,engine components,lubricants,cylinders ect.Our high-quality,reliable and cost-effective products help customers significantly lower total cost of ownership,minimize downtime,extend equipment life and improve operational efficiency.

GLOBAL REACH

FILTER FOR CONSTRUCTION MACHINERY

full range filter solutions. multiple OEM brands supported

Oil filter

Diesel filter

Oil-water separator

Air filter element

Filter for hydraulic system

Air conditioning filter

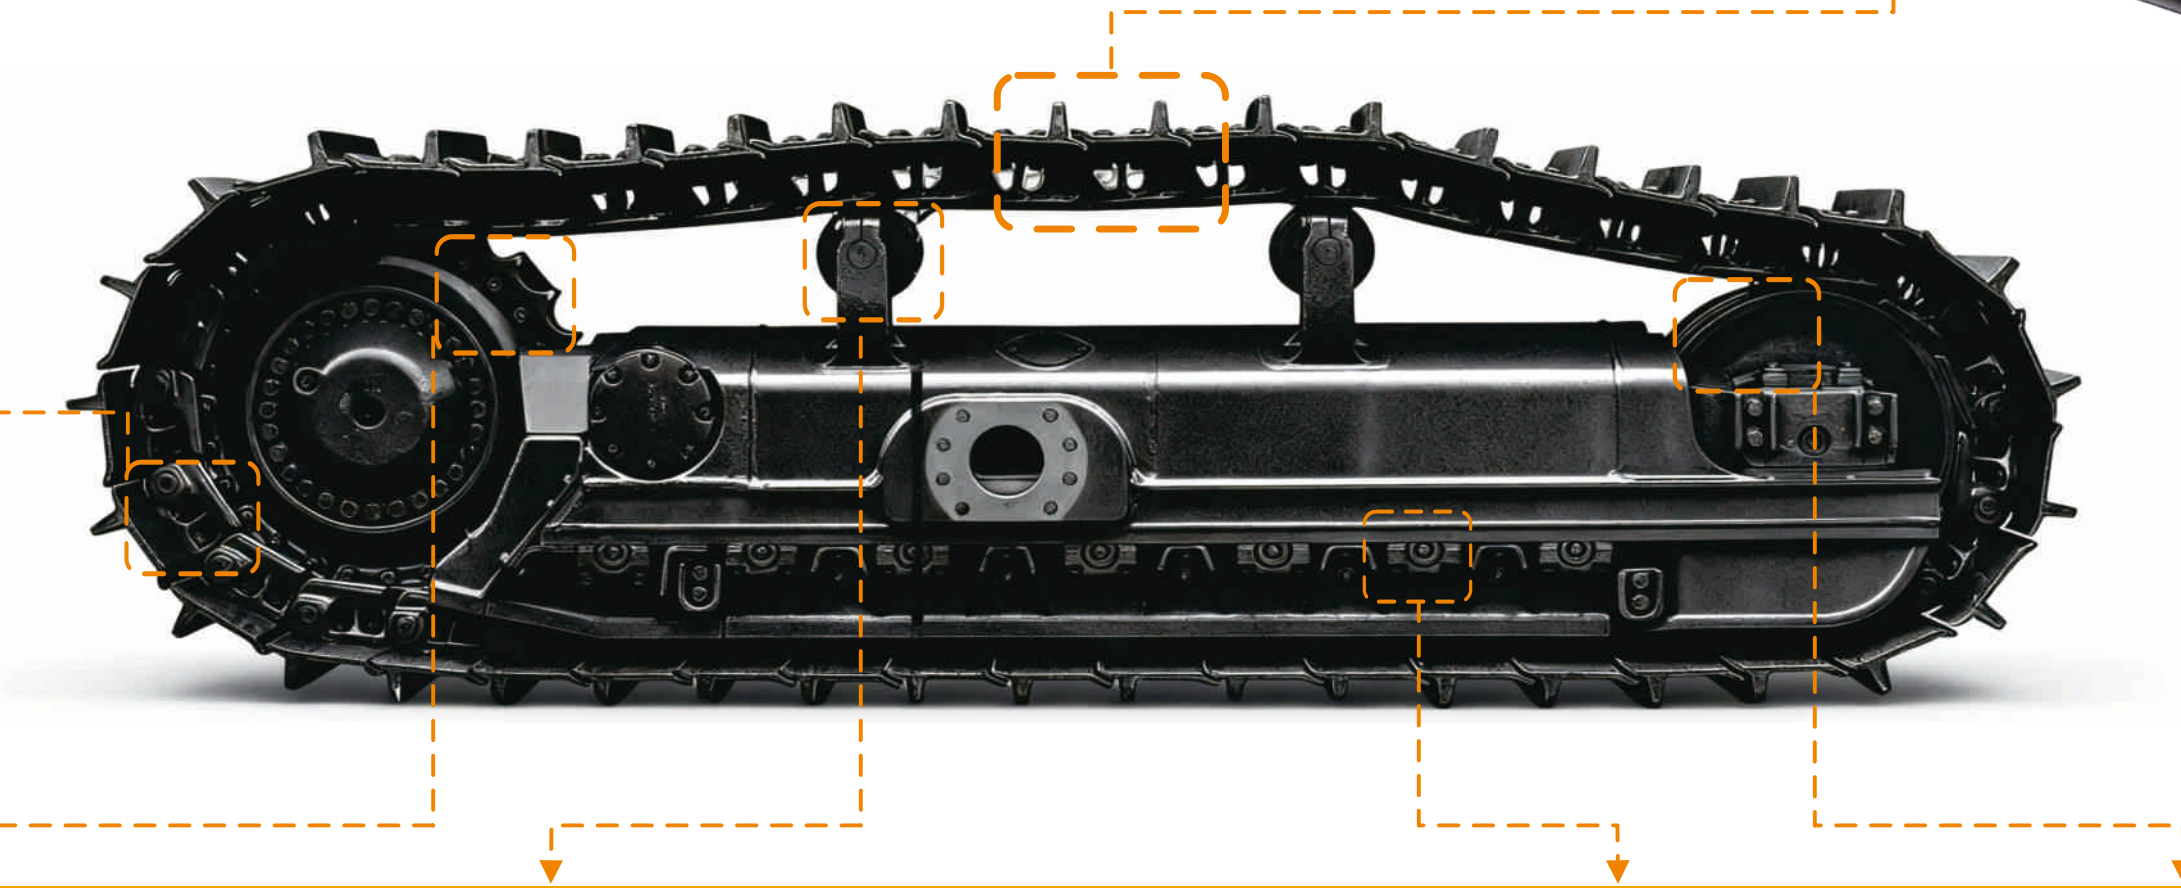

EXCAVATOR UNDERCARRIAGE PARTS

OEM-grade quality control.custom OEM/ODM

Track chain

Track shoes

Sprocket

Carrier roller

Track roller

Idler

EXCAVATOR BUCKET TEETH

super wear resistance.extended service life.
customizable design

Bucket teeth

Lateral teeth

Adapter

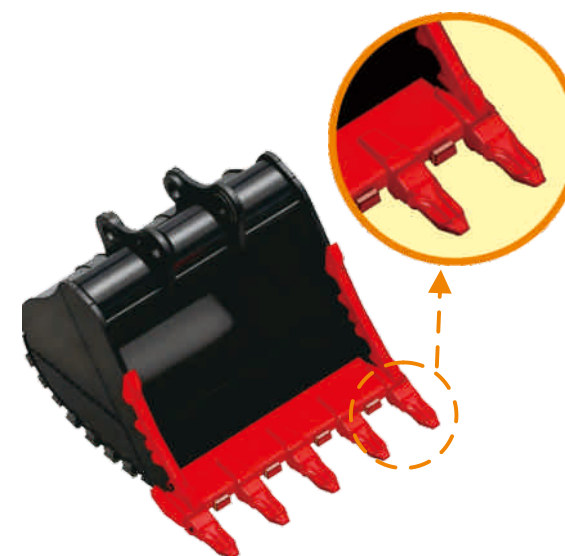

Lock Pins

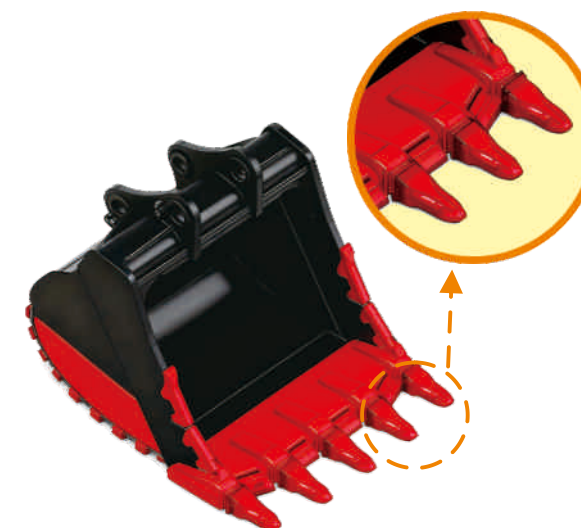

Retainers

EXCAVATOR BUCKET

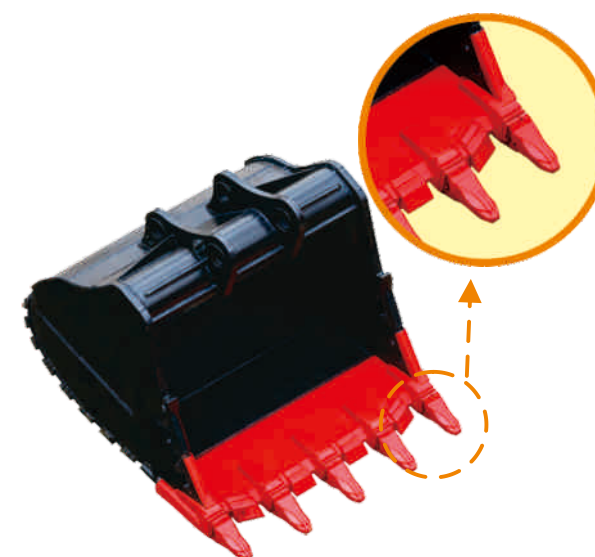

super wear resistance.extended service life.
customizable design

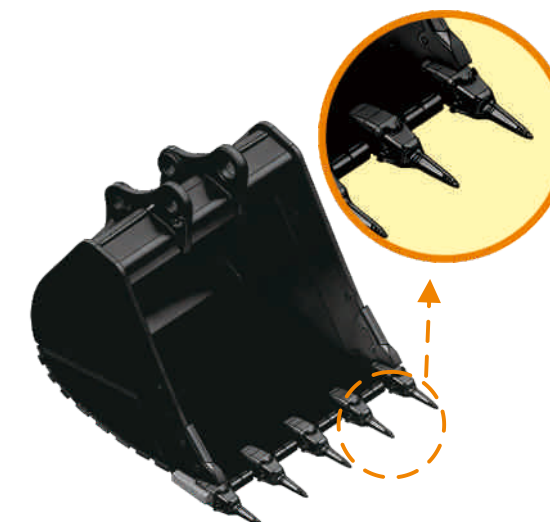

Standard Rock Bucket

Heavy-Duty Rock Bucket

Crusher Bucket

Light Earthmoving Bucket

HYDRAULIC COMPONENTS FOR CONSTRUCTION MACHINERY

multi-brand hydraulic system interoperability.
end-to-end supply chain management

ELECTRICAL SYSTEM COMPONENTS FOR OFF-ROAD EQUIPMENT

genuine quality.major OEM compatibility

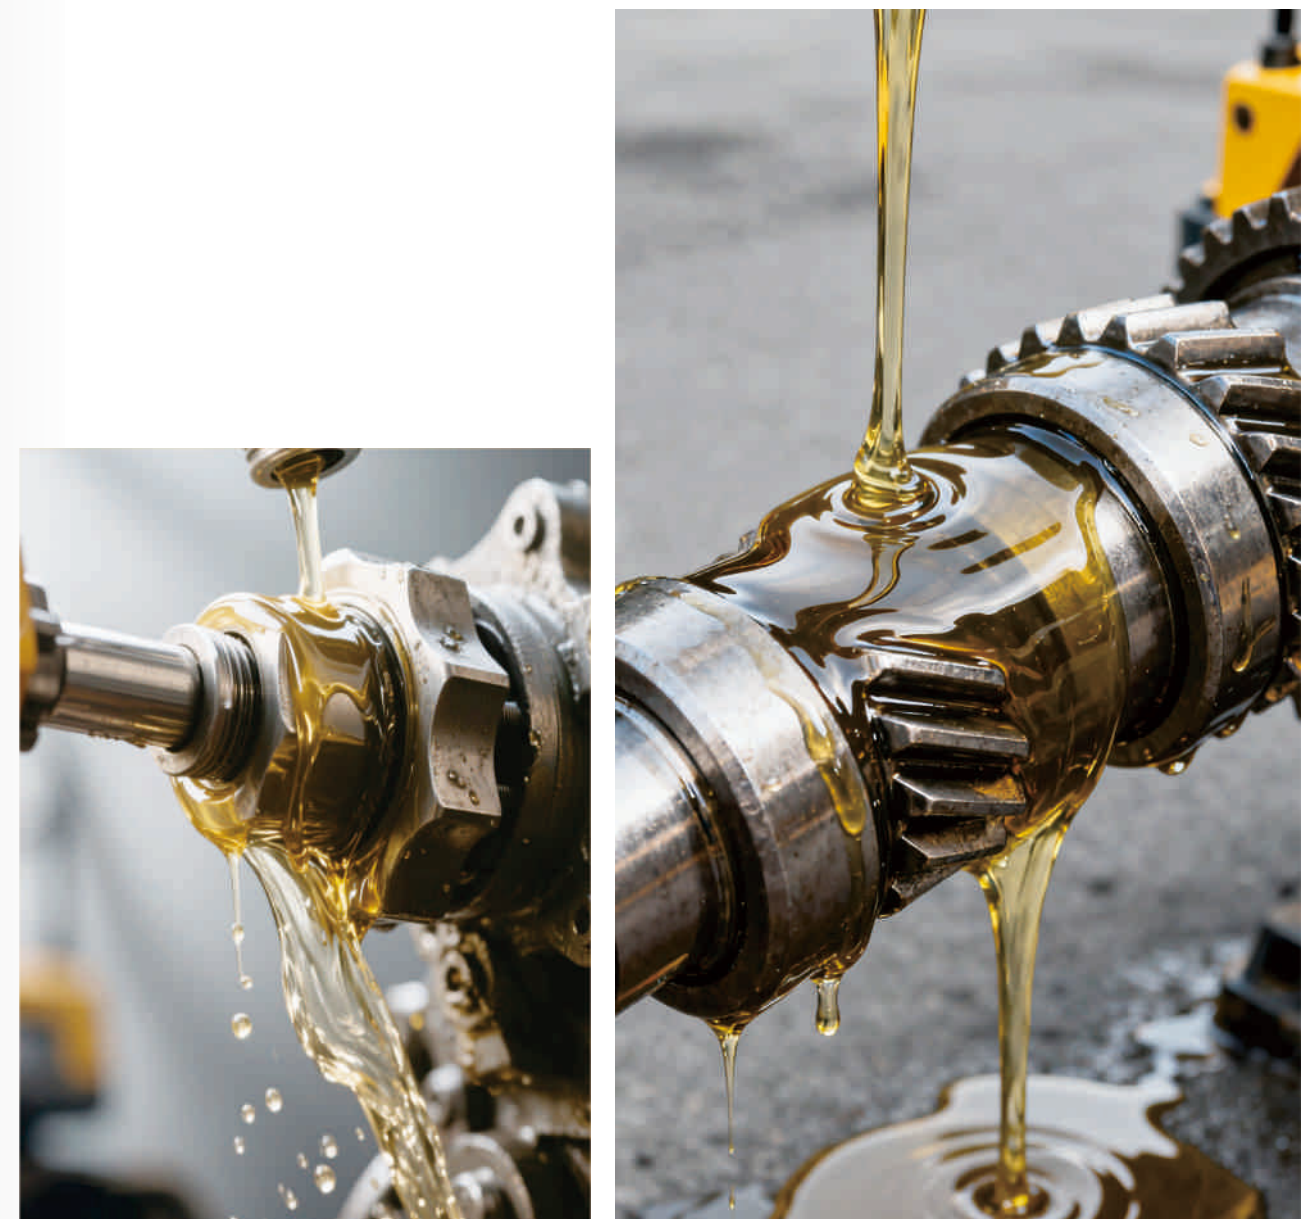

ENGINE COMPONENTS FOR OFF-ROAD EQUIPMENT

certified quality.cross-brand engine compatibility

LUBRICANTS FOR CONSTRUCTION MACHINERY

genuine quality.lower your total cost of ownership

HYDRAULIC OIL

L-HM 46(18L)

L-HM 68(18L)

L-HM 46(200L)

L-HM 68(200L)

Specifications

Viscosity grade	kinematic viscosity/ (@ 40 °C, mm/s)	Viscosity index	Pour point/°C	Flash point (opening)/°C
L-HM 46	43.5~48.35	≥105	≤-26	≥225
L-HM 68	64.5~71.5	≥102	≤-20	

DIESEL ENGINE OIL

CI-4 15W-40 (18L)

CI-4 20W-50 (18L)

CI-4 15W-40 (200L)

CI-4 20W-50 (200L)

Specifications

Quality level	Viscosity grade	Kinematic viscosity/ (@100°C, mm/s)	Pour point/°C	Flash point (opening)/°C
CI-4	15W-40	12.5~16.3	>-25	215
	20W-50	16.3~21.9	>-20	

HEAVY-DUTY GEAR OIL

GL-5 85W-90 (18L)

GL-5 85W-140 (18L)

GL-5 85W-90 (200L)

GL-5 85W-140 (200L)

Specifications

Quality level	Viscosity grade	Kinematic viscosity/ (@100°C, mm/s)	Flash point (opening)/°C
GL-5	85W-90 85W-140	13.5~<18.5 24.0~<32.5t	180

OUR WAREHOUSE

COMPREHENSIVE SOLUTIONS FOR CONSTRUCTION MACHINERY AFTERMARKET
